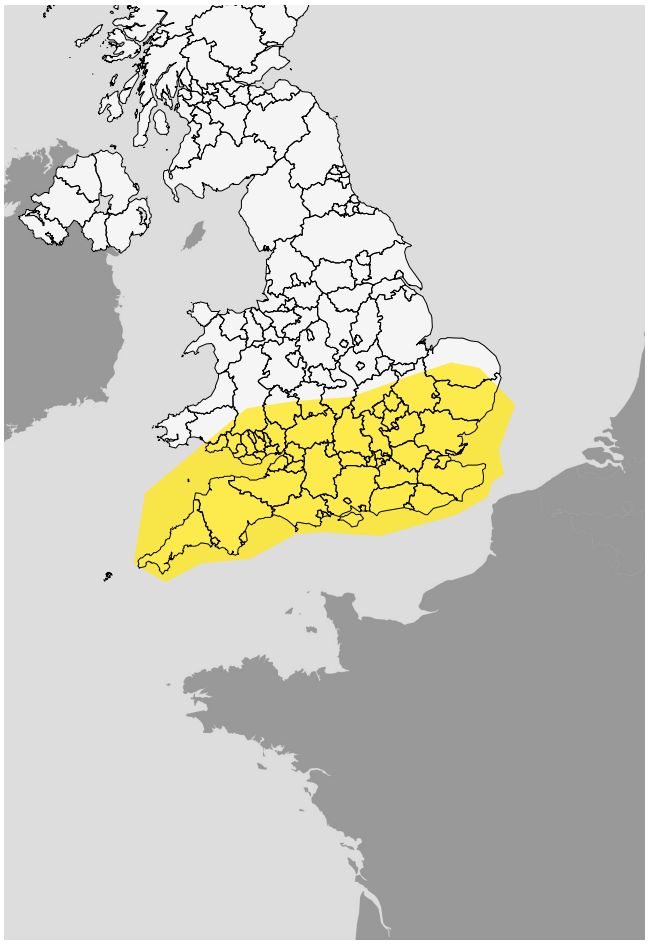
Yellow warning
Rain

Between
11:30 Thu 27 Aug 2020 and
19:00 Thu 27 Aug 2020



Heavy rain leading to difficult driving conditions and possible disruption to transport

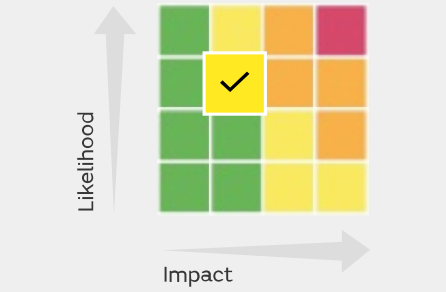
What to expect

- Spray and flooding on roads probably making journey times longer
- Bus and train services may be affected, with journey times taking longer
- Flooding of a few homes and businesses is possible

Further details

Areas of heavy rain will continue to move eastwards across southern and central parts of England and south Wales, bringing up to 30 or 40 mm in 5 or 6 hours in a few areas - enough to cause a lot of surface water and some flooding on roads. Some of the heaviest downpours may occur across southern coastal counties of England, with around 25 mm in an hour in a few places, which would cause some surface water flooding.

Conditions will be drying up across the west of the warning area later.



Medium likelihood of low impacts
